TYRE MAINTENANCE

GET PUMPED UP

Correct tyre pressure is one of the most important factors in 4WDing. With an air compressor, tyre deflator and repair kit onboard, you will be ready to take the pressure down on the track and back up again before you hit the bitumen.

AIR COMPRESSOR KIT

DT-COMPKIT

\$365

- Complete Drivetech 4x4 Air Compressor Kit
- Heavy duty bag with pockets
- Kit includes:
 - Air Compressor (complete with 2m power cord with battery clamps and 6.5m rubber air hose with snap fittings)
 - Tyre Repair Kit
 - Tyre Deflator

AIR COMPRESSOR

DT-COMPRESSOR

\$315

- 180L/min Air Compressor
- Working pressure - 40psi
- Maximum pressure - 150psi
- Pistol grip inflator trigger with inbuilt deflator
- 2m power cord with battery clamps
- 6.5m rubber air hose with snap fittings
- Duty cycle is 15min (at 24°C) with five minute cool down time
- 12V - 45A
- Heavy duty bag with pockets

TYRE DEFLATOR

DT-DEFLATOR

\$35

- Ideal for quick and easy deflation
- Easy to use all-in-one mechanism
- Rubber protection sleeve around gauge head
- Handy protective storage pouch

TYRE INFLATOR

DT-INFLATOR

\$19

- Ideal for quick and easy inflation
- Accurate gauge

COMPRESSOR HOSE EXTENSION KIT

DT-CHEK

\$35

- 6.5m Extension Hose
- Allows the air compressor hose to reach a caravan or trailer
- Supplied with the same quality snap fitting joiner as the Driveteck 4x4 Air Compressor Kit hose

TYRE REPAIR KIT

DT-4X4TRP

\$35

- Includes all tools required to repair a puncture
- Contains 20 plugs
- Handy plastic storage case

REPLACEMENT TYRE REPAIR PLUG

DT-1879-20

\$12

- Pack of 20
- Keeps your Tyre Repair Kit full and ready at all times

SPARE WHEEL BAG

DT-SWSB

\$75

- Multipurpose design
- Internal storage pockets
- Adjustable mounting straps
- Waterproof

RECOVERY TRACK

DT-RTRACK

\$120

- For use in mud, sand or snow
- Unique tread design for maximum traction
- Heavy duty rubberised PVC
- High quality, insulated steel cable and fittings for long life and durability
- Handy roll up design in carry bag for convenient storage

WARRANTY ALL TYRE MAINTENANCE EQUIPMENT - 1 Year

RIVAL ACCESSORIES

PROTECT YOUR 4X4 FROM HARM

Continuing cutting edge research and design for the Australian and New Zealand markets, Drivetech 4x4 has partnered with Russian manufacturer, Rival Automotive Accessories to deliver high quality, full vehicle solutions for popular 4WDs in the market.

As with the Drivetech 4x4 hard parts, all accessories are sourced from industry-leading suppliers and manufacturers, both domestically and internationally. RIVAL are one such leading supplier and Drivetech 4x4 have exclusive distribution rights to their products in Australian and New Zealand.

DRIVETECH 4X4 UNDERBODY ARMOUR BY RIVAL

Using a high quality plate made from 6mm deep stamped alloy, these kits offer a lightweight and high strength solution that features:

- A significant weight benefit over traditional steel plates
- Stiffening ribs which provide twice the durability of flat skid plates
- A design that results in minimal influence to ground clearance
- Installation using existing vehicle bolt holes, with no need for drilling
- A powder coated finish and alloy material that won't corrode like steel plates

Available for 4WD models:*

- Ford Ranger PX
- Lexus LX470
- Mazda BT-50 B32P
- Mitsubishi Challenger
- Mitsubishi Pajero Sport QE
- Mitsubishi Triton ML/MN/MK/MQ
- Nissan Navara D40, D23
- Nissan Pathfinder R51
- Nissan Patrol GU Y61
- Nissan Patrol Y62
- Toyota 78 Series
- Toyota Fortuner
- Toyota Hilux GUN 126, KUN 26
- Toyota Landcruiser 100 Series, 200 Series
- Toyota Landcruiser Prado 120 Series, 150 Series
- Volkswagen Amarok

DRIVETECH 4X4 BUMPERS BY RIVAL

from
\$2,599

Made from 6mm alloy to provide excellent strength and protection without the disadvantage of a heavy steel bar, the Drivotech 4x4 Bumpers are designed to ensure easy installation as a full replacement for the OE bumper. Stylish and functional these bars come in a matte black finish.

Features:

- Integrated recovery points
- Built-in tow hooks and high lift jack slots
- Winch mount and access
- High quality welds
- Total weight of 50kg
- Designed for ease of fitment with 6mm Drivotech 4x4 Underbody Armour by Rival
- ADR69 compliant

Bumpers currently available for Hilux Revo. For latest model range listing, contact your nearest Drivotech 4x4 Stockist, or visit our website, as listed on the back page of this booklet.

BONNET STRUT KIT **from \$125**

Made in Russia using high quality German gas struts, these precision designed kits make it easy to lift your bonnet and hold it in that position giving you a clear and safe path to any maintenance in the engine bay. Each kit is vehicle specific and includes everything you need for a successful (no drill) installation.

- DT-BS002 - Mitsubishi Triton ML, MN
- DT-BS001 - Mitsubishi Triton MQ
- DT-BS004 - Nissan Navara D40 & R51 Pathfinder
- DT-BS005 - Toyota Hilux KUN Series
- DT-BS005 - Toyota Fortuner
- DT-BS006 - Toyota Hilux GUN Series

from
\$190

TAILGATE ASSIST KIT

Made in Russia using high quality German gas struts, these precision designed kits make light work of lowering your heavy tailgate to ensure safe operation and slow opening. Easy to install.

- Carry handles and bottle opener attached
- 25L capacity

SEAT COVER

DT-SEATCOVER

\$45

- Hard wearing and washable polyester seat protector
- Pull over style that is designed to fit most single front vehicle seats

FILTRATION

MAKE DIRTY DIESEL A THING OF THE PAST...

Designed by diesel fuel injection manufacturers as a pre-filter to the original equipment filter, Drivetech 4x4 Fuel Manager protects vital diesel injection components from water, humidity, acids and other contaminants before they hit the primary fuel filter.

These kits are easily installed in your engine bay without having to modify any existing vehicle components. With multiple inlet and outlet ports, this dynamic design allows flexibility during installation.

Why is Drivetech 4x4 Fuel Manager the best choice?

- Longlife filter media has been heat and chemically treated for maximum durability and acid resistance
- All components are tightened and removed by hand - no need for filter tools
- Easy view, see through polycarbonate drain bowl
- Multi-port head allowing mounting in any place and in any configuration
- Suits all diesel engines from 50 to 350 horse power (37 to 261 kilowatts) with a maximum fuel operating pressure of 60 p.s.i.

UNIVERSAL DIESEL PRE-FILTER KIT

from
\$250

Universal Drivetech 4x4 Fuel Manager diesel pre-filter kit includes:

- Drivetech 4x4 Fuel Manager diesel pre-filter unit
- Brass barbs and plugs
- Universal fuel line hose
- Polycarbonate bowl

VEHICLE SPECIFIC DIESEL PRE-FILTER KIT

from
\$320

Vehicle specific Drivetech 4x4 Fuel Manager diesel pre-filter kits include everything you need to install:

- Drivetech 4x4 Fuel Manager diesel pre-filter unit
- Vehicle specific high-grade stainless steel mounting bracket
- Step-by-step installation instructions
- Brass barbs and plugs
- Vehicle specific fuel line hose and connectors
- Polycarbonate bowl

UNIVERSAL 2 POINT DIFF BREATHER KIT

DT-2DBK

\$50

This easy to install universal diff breather kit comes with everything you will need to protect your front and rear diff from water ingress.

- Reduces the risk of damage to the front and rear diff on your 4x4 with a simple yet effective design
- Ensures easy fitment and maintenance
- Allows connection of a hose to a high point of the engine bay safely and securely to reduce the risk of damage to the tube from moving objects

Kit includes:

- 1 x 10m hose
- 4 x clamps
- 1 x mounting bracket
- 2 x barb fittings and filters
- 10 x cable ties

**WARRANTY FILTRATION
- 1 Year**

SUMOSPRINGS

DRIVETECH SUMOSPRINGS REVOLUTIONARY 'AIRLESS AIRBAGS'...

Introduced to the Australasian automotive aftermarket in late 2012, this revolutionary product was the world's first load assist "airless airbag" suspension system.

Manufactured using a highly durable microcellular polyurethane material that provides progressive compression under load and variable road conditions.

Extraordinarily durable, Drivetech SumoSprings eliminate the frustrations of leaking or puncturing, which are so common in conventional airbags. There is minimal possibility of system failure with Drivetech SumoSprings, as they don't require air lines or compressors. The microcellular polyurethane won't rupture and – incredibly – it can even be punctured without causing any loss of performance!

Drivetech SumoSprings:

- 100% maintenance free
- Leak and rupture proof
- Reduce rear end sag
- Reduce body roll
- Self-adjusting
- Easy to install – no drill installation
- Simply fit and forget

SUMOSPRINGS - VARIABLE

from
\$795

Suitable for utes, vans and 4WD's that are:

- Fitted with leaf spring suspension
- Carrying heavy, variable loads

SUMOSPRINGS - CONSTANT

from
\$795

Suitable for utes, vans and 4WD's that are:

- Fitted with leaf spring suspension
- Carrying heavy, constant loads

SUMOSPRINGS LITE - COIL

from
\$180

Suitable for utes, vans, 4WD's and passenger vehicles that are:

- Fitted with coil suspension
- Carrying light to medium loads

Reduces front and rear end sag

SUMOSPRINGS LITE - LEAF

from
\$400

Suitable for utes, vans, 4WD's and passenger vehicles that are:

- Fitted with leaf spring suspension
- Carrying light to medium loads

Reduces rear end sag

**WARRANTY SUMOSPRINGS
- 2 Years / 60,000km**

SUSPENSION

PERFORMANCE NEVER LOOKED SO GOOD

The Drivetech 4x4 Enduro Pro remote reservoir monotube shock performs even better than it looks. The remote reservoir provides excellent heat dissipation to improve shock performance whilst allowing for extra shock travel when offroad.

ENDURO PRO SHOCK ABSORBERS & STRUTS

from
\$660
a pair

- Multi-stage valving - providing both comfort and performance
- Height adjustable spring seat struts - for fine tuning ride height
- Braided line to reservoir - reducing the risk of damage to the line when offroad
- 20mm chrome piston rod - for extra strength when side load exists during full travel
- 46mm diameter piston - allowing for more precise tuning
- Triple O-ring swivel connector - tightly sealing the system from water and dust
- Heavy duty rubber bushes - for a long life cycle

Available for 4WD models:*

- Ford Maverick DA
- Ford Ranger PX, PX II
- Holden Colorado RG, 7
- Isuzu Dmax TF II
- Isuzu MU-X
- Mazda BT-50 B22P, B32P
- Mitsubishi Triton ML, MN, MQ
- Nissan Navara D23, D40
- Nissan Patrol GQ Y60, GU Y61, Y62
- Toyota Hilux GGN25R, GUN126R, KUN26R
- Toyota Fortuner GUN156R
- Toyota Landcruiser - various models
- Toyota Prado - various models

*Note: For latest model range listing, contact your nearest Drivetech 4x4 Stockist, or visit our website, as listed on the back page of this booklet.
