# LED Camping Strip Lights

Drivetech 4x4 is excited to release two new LED strip lights to the Accessories range.

## LED Strip Light Kit (DT-LEDSLKIT)

Perfect for camping or keeping in the back of the car for when you have your new Drivetech 4x4 awning setup. All connectors come with waterproof screw together fittings.

Included in the kit is the following:

- 4 x 400mm LED light bar with magnets to allow easy setup
- 4 x on/off switches (each strip can be controlled individually)
- 1 x 3m lead with cigarette lighter plug
- 1 x 2m battery clamp to cigarette adaptor
- 2 x 2.4m extension lead
- 2 x 1.2m extension lead
- 1 x 10m extension lead
- 2 x three-way splitter
- 10 x velcro strips (to secure wiring or led strips)
- 1 x 24W power adaptor (12V-2A)
- 1 x 240V power adaptor
- 1 x waterproof remote control
- 1 x padded storage bag with pockets to neatly store all wiring and LED strips

With over 20m of extension cable, this kit is perfect for small or large campsites!

## LED Soft Strip Light (DT-LEDSL1)

An individual strip light 1200mm in length supplied in a soft waterproof case. Ideal to keep in the car to get you out of trouble at night, perfect for around the camp site or to light under the awning.

Included:

- Small carry case with a snap hook at each end making it quick and easy to put up anywhere anytime
- Two types of electrical connectors (cigarette lighter socket and battery clamps)
- 5m lead with a thumb control dimmer
