Clutch Kit for Ford 6DCT250 DPS6 Transmission

The LuK RepSet 2CT (twin-clutch technology) includes all the necessary components to replace the double clutch system. It is advisable to replace not only the double clutch, but the engaging system as well.

Suits Ford vehicles with 1.6L and 2.0L petrol engines with a DPS6 6-speed transmission and dry double clutch.

Part Number: P XK-625010
