

AUGUST 2018

Pedal Pads

Brake Pedal Pads are an item that often gets overlooked. With Pedal pads not being inspected on a regular basis they can become dangerous. Through wear and tear, Pedal Pads become worn down to have no grip or become ripped or torn and can become a catch hazard for your shoe.

With over 80 Pedal Pads in the Kelpro range, we have you covered.

Applications

Mazda 2	DE	6/07-on
Mazda 3	BL	12/08/-on

Part Number: 29939
