

JULY 2018

Swaybar Links

Swaybar links are a crucial part of your suspension setup. A failed swaybar link can cause clunking and banging noises and can also cause poor handling.

All Kelpro Swaybar Links are made to OE specification and covered by 2 year / 40,000km warranty.

With 50+ new numbers added to the range we have your needs covered. See a sample of some of the new additions below.
