HUGE RANGE OF WATER PUMPS, FAN CLUTCHES AND HEATER TAPS...

Tru-Flow has one of the most comprehensive ranges of quality Water Pumps, Fan Clutches and Heater Taps in the Australian marketplace.

The Tru-Flow range includes over 545 Water Pumps, more than 105 Fan Clutches and 25 Heater Taps. With such a comprehensive range, Tru-Flow has applications to cover a wide selection of Australian, American, Japanese, Korean and European passenger, 4WD and light commercial vehicles.

PRODUCTS SOURCED FROM QUALITY MANUFACTURERS

Tru-Flow Water Pumps and Fan Clutches are sourced from some of the largest manufacturers in Japan, Germany, Italy, Korea and North America.

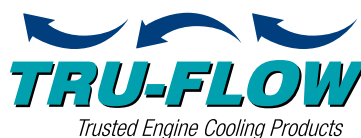

Tru-Flow Water Pumps have been manufactured using the highest quality materials for stronger body design and resistance to corrosion.

Using Tru-Flow quality water pumps ensures customer satisfaction.

PRODUCTS COME WITH A 2 YEAR/40,000 KM WARRANTY AND TECHNICAL SUPPORT

The Tru-Flow Cooling Products programme has been built on a reputation for delivering quality products and is supported by a 2 Year/40,000km warranty. If you are looking for professional support, Motospecs offers an experienced technical support team that is always only a phone call away.

The Technical Support Line can provide information on vehicle fitment, product range and the latest applications.

Leaders in undercar and underbonnet parts and solutions
